Inventory of Resource Persons: Race and Ethnocultural Equity

*Répertoire de
personnes-ressources.
Équité raciale
et ethnoculturelle*

1988 ^{update}
mise-à-jour

INTRODUCTION

In March 1986, the Ministry of Education hosted a provincial conference entitled "Race and Ethnocultural Relations". The Conference was held in support of the government's commitment to the development of a provincial race and ethnocultural relations policy that would serve as a model for Ontario school boards.

This publication, an inventory of resource persons with expertise in race and ethnocultural relations in Ontario, has been prepared to assist school boards with professional development activities and other related initiatives.

The Ministry of Education wishes to express its appreciation to the individuals listed in the publication for their co-operation in the production of this inventory.

Introduction

En mars 1986, le ministère de l'Éducation a organisé un congrès provincial ayant pour thème «Races et ethnies en contact». Ainsi, le gouvernement de l'Ontario donnait suite à son engagement d'élaborer une politique provinciale sur les relations raciales et ethnoculturelles. Cette politique allait servir de modèle aux conseils scolaires de l'Ontario.

Ce répertoire comprend des personnes-ressources qui se sont distinguées dans le domaine des relations raciales et ethnoculturelles, et pourra aider les conseils scolaires à offrir à leurs enseignantes et enseignants la formation professionnelle ou d'autres activités traitant du même sujet.

Le ministère de l'Éducation désire remercier de leur collaboration les personnes qui ont permis que leur nom paraisse dans ce répertoire.
